

## Requested Equipment/Supplies for *Breakthrough Leadership Phase II*

### **No audio/video recording of Craig's programs is permitted**

Ideal Setting: (see Ideal Room Set Up page) room with space for activities, chairs should be moveable

**\* If Craig is *flying* in for presentation \***

- Back up microphone (Craig will bring 2 wireless microphones to patch into a P.A. system.) All programs will require a P.A. system. If the house system is unreliable, poor or suspect, it will be necessary to retain a strong portable system. **QUALITY SOUND IS VITAL FOR A SUCCESSFUL PROGRAM.**
